13 **I/We petition the Oregon-Idaho Annual conference to take the following action:**

14 Adopt Conference Rule 2.041c:

15 2.041(c) Legislative items reviewed in the regular meeting of Legislative Assembly that do not meet the
16 threshold percentage for a consent calendar of approval or disapproval, shall be forwarded to the
17 Annual Conference Session for presentation in the Conference Plenary Session by a representative of
18 the Legislative Assembly. Consideration of a recommendation of disapproval shall not be deleted from
19 an agenda of all proposed recommendations forwarded by the Legislative Assembly for Conference
20 consideration. The Legislative Assembly shall have the option, by majority vote, of forwarding a
21 recommendation with more than 90% vote, not on a consent calendar.

22 **SUPPORTING INFORMATION**

23 **What will this action accomplish?**

24 This new rule will clarify that all items, including those recommended by the Legislative Assembly for
25 defeat, will come before the Conference Plenary Session for final consideration.

26 **Why is it important?**

27 This has been the intent since the establishment of the Legislative Assembly, and it fulfills the intent of
28 Conference Rule 2.023, "The Annual Conference in Plenary Session shall make the final determination of
29 all action."

30 **How will it be carried out? By whom?**

31 The Legislative Assembly Coordinators and the Conference Sessions Committee will carry this out.

32 **How much will it cost? Where will the money come from?**

33 There will be no cost to the Conference.
