

Draw the Circle Wider: Reconciling Acts of Biblical Obedience

A Laity Workshop of the Oregon-Idaho Annual Conference

June 11, 2015 - 11 AM

Presenter: Rev. Dr. Israel I. Alvaran
with the Reconciling Ministries Network

The United Methodist Church and our communities in the United States are at a crossroad as we seek to do ministry that welcomes all people into the life and work of our denomination. ***Draw the Circle Wider*** will engage participants with concrete ways to learn and develop deeper, meaningful, and effective postures of welcome for lesbian, gay, bisexual, transgender, and queer (LGBTQ) persons. This will be a venue to discuss how we intersect our core Wesleyan values with the call for radical love and hospitality through reconciling acts of biblical obedience: prophetic witness that invites The United Methodist Church to live out its mission to make disciples of ALL people for the transformation of the world.
