Micro-Grant Proposal Questions to Consider

As you pull together your proposal for how to use the Micro-Grant you have received here are a few basic questions you might consider answering as you work on it:

- ✓ What specifically are you proposing to do? Give details about the event, the idea, the option, etc.
- ✓ How is what you are proposing different than what you already do as a church?
- ✓ What new group of people are you attempting to reach and why?
- ✓ Who is it from the community you are attempting to partner with in what you are proposing?
- ✓ How will you know if you have succeeded or failed?
- ✓ How is what you are proposing going to further our mission of making disciples of Jesus Christ for the transformation of the world?

Remember, you are to:

- Give a written update at your 2018 annual charge conference concerning what you are planning.
- Submit your written proposal to DS Tim no later than December 31, 2018 for his approval.
- Submit an update on your project to DS Tim by May 15, 2019. And,
- Complete your project, do the evaluation, submit at least two photos or a short (2 minute) video and make a report at your annual charge conference in the Fall of 2019.
