

## NutriSavings Program Termination

NutriSavings' parent company EdenRed is closing the NutriSavings branch of their business. We will be terminating our relationship with NutriSavings effective **Thursday, October 31**. The last day an eligibility file will be run is **Friday, September 26**, giving those currently enrolled time to withdraw the funds they have accumulated. Wespith will be communicating directly with participants with balances and let them know how to get the funds.

*Fund redemption options for participants with balances:*

- set up a ACH or link a PayPal account and have that money deposited into their accounts\*
- EdenRed will send them a check after 11/5/19

\* Please allow up to 10 days after ACH or PayPal account information is shared for funds to transfer.

*Additional details:*

- After **Friday, September 26** new participants to HealthFlex will not be able to join the program
- After **Thursday, October 31** participants will no longer be able to earn up to 30 wellness points for NutriSavings
