

CHOICES—DENTAL

This comparison highlights key differences and similarities between dental plans offered through HealthFlex Exchange: **Passive PPO 2000, Dental PPO** and **Dental HMO**. Dental benefits are provided through Cigna.

The annual deductible and co-insurance amounts are your share to pay. All other benefits shown are the amounts or percentages that the plan pays for a service. **The Passive PPO 2000 and Dental PPO use Cigna's PPO Advantage Network. The Dental HMO uses the Cigna Dental Care Access Plus Network. Visit cigna.com to search for in-network providers.**

Note: Only the Dental PPO and the Passive PPO 2000 include Cigna Dental Wellness PlusSM features. When you or your family members receive any preventive care in one plan year, the annual dollar maximum will increase the following plan year, until it reaches the level specified below.

Refer to the HealthFlex Benefit Booklet for additional plan details.
