

UMVIM Volunteer Report Form

What is your passion? Clothing bank, food bank, driving others to appointment? Helping with a Community meal service? Building ramps, house maintenance for others? DONE IN A DAY or a VIM trip for a WEEK, it is all available and accountable.

Each year the Conference Volunteers in Mission Coordinators provide information about the mission teams for that year to the Jurisdiction Offices, who compile reports for the General Board of Global Ministries. This information is a vital piece in seeking grants and becomes a measure of the scope of mission volunteering in the United Methodist Church. If your church or district or other entity had a work trip this year, please provide the report form to us at the address below the form. It is important for us to do our best to provide complete and accurate information. Please report Youth trips as well as Adult trips. Your assistance with this is greatly appreciated!

Project Name _____ **Project Host Contact Name** _____
