

Dec. 2011

I like Sunday
School. we got to make
treats to eat Nancy B.
and Janelle are my

teachers. They
made snowflakes and we
decorated them. We learned
that God sent angels and
gave Mary and Joseph dreams
He sent the star to the
wise men too I like
the Church because at
Gathering at the well we
get a lot of food. All that
food takes a long time
to prepare
