

*United Methodist Women  
Crater Lake District Pulse  
June 2019*

**Your Crater Lake District Team**

From the Nominating Committee:

Our Crater Lake District Team needs officers! We need a President, a Secretary, and a Treasurer. We are asking all of you for input. If there is someone in your unit who would be willing to fill an office, PLEASE let us know.

We're asking our shepherds to keep their eyes out, too.

If you feel called to serve in a position, you don't have to be asked. Just volunteer!

We are happy to talk to any of you.

Job descriptions are available for all positions.

From Your Crater Lake District Team:

Why serve on the District Team? The rewards are many. You will:

- Become acquainted with wonderful women across our district who also believe in our mission programs with women, children, and youth around the world
- Have your way paid to Mission u
- Have your way paid to the District and Conference Annual Meetings
- Have your way paid to the District Every Member Enrichment Event
- Get to know the women of some of the other local units that are near where you live
- Become trained and meet other women in your position from across our Conference.
- Support with your time the most wonderful women's Christian organization in the world (op. ed.)

While it does take some time and effort to be a part of the District Team, it is well worth it. Most members of the District Team won't spend more than just two or three hours a month (if that), with just a bit more close to our Annual Meeting and Every Member Enrichment Event.

*My apologies for the tardiness of this Pulse. My only excuse is that occasionally "life happens."*

*Jeannie Boese - Editor*
