E. Financial Aid for Study/Travel Leave or Renewal Leave

I. Financial aid is available for study/travel aid which is intended to benefit the clergy person’s ministry.

26 Conference Policies

Applicants must be ordained clergy who have been a member in full connection for six (6) years or an associate member of the annual conference for eight (8) years. Study/travel leave may be up to three (3) months long, but leave beyond two months will be considered as vacation.

The full salary of the candidate for the three-month period shall be paid by the local church or institution being served. MEF funds shall provide the candidate a stipend for tuition or travel in the amount of up to \$1,250. MEF funds may also pay the cost of supplying an interim minister in the clergyperson's absence, up to \$1250 per month for two months, based on the local need. The third month is considered vacation and the responsibility of the local church. The selection of an interim minister and housing is the responsibility of the clergyperson, local congregation and the District Superintendent. (The Board of Ordained Ministry has guidelines for the use of the parsonage or the pastor's own home.)

To apply for financial assistance for study/travel leave:

The applicant should make a written application to BOM through its Scholarship Officer, which includes a description of the study or travel program and your goals.

The applicant should obtain written approval of both the Cabinet (through the applicant's District Superintendent) and the local church through action by the Church Council (or equivalent).

The education and renewal value of the programs and years of service in the Oregon- Idaho Annual Conference will be considered in approving applications. Higher priority will be given to applicants who have not previously received MEF assistance.

II. Through a special gift from the Oregon-Idaho Conference Board of Pensions, clergypersons may apply for financial assistance for renewal leave. Renewal leave is intended to foster clergy well-being and longevity in ministry. Applicants must be ordained clergy who have been a member in full connection for six (6) years or an associate member of the annual conference for eight (8) years.

The financial assistance for renewal leave may be used to support the applicant's travel expenses or the expenses of the church for supplying interim pastoral leadership. The maximum grant for leave is \$1,000, except in extenuating circumstances of leave longer than one month, and then only at the request of the District Superintendent. Unlike the study/travel leave grants, there is not an expectation of continuing education/professional development being part of this leave. This is intended to facilitate and support clergy well-being.

To apply for financial assistance for renewal leave:

Applicants should send written application, including plans for the leave and how the funds would be used, to the MEF Scholarship Officer.

The applicant's District Superintendent must also make written recommendation, including reasons why renewal leave is needed.

Jasa Scholarship Awards – Two or more Jasa awards may be presented each year. Applications are available through the Board of Ordained Ministry's Scholarship Officer. Unlike the Coe Scholarship, certified candidates for Deacon in Full Connection are encouraged to apply for Jasa awards.

Each year, unused earnings for Coe/Jasa Funds will be reinvested in the principle of the respective fund, and/ or set aside to be used for scholarships in the coming years. How much is carried over as scholarship money and how much is reinvested each year is at the discretion of the Board at the recommendation of the Scholarship Officer.

SAFE SANCTUARIES ABUSE PREVENTION POLICY For Conference & District Events of the Oregon-Idaho Annual Conference of The United Methodist Church

INTRODUCTION

Our hope and belief today is that the church is a place where all people will find the unconditional love and care they so desperately need to grow and thrive. But, we know that abuse occurs in churches, large and small, urban and rural. It is a problem, which cuts across all economic, cultural, and racial lines. In April 1996, the General Conference of The United Methodist Church adopted a resolution aimed at reducing the risk of abuse of children, youth, and vulnerable adults in the church. It was renewed by the 2004 General Conference (Resolution 65, "Reducing the Risk of Child Sexual Abuse in Churches, pg. 201, 2004 Book of Resolutions). As Christians we must take our responsibilities to our children, youth, and vulnerable adults very seriously. While we may not be able to completely prevent abuse in every situation, it is possible for us to greatly reduce the risk by following a policy of prevention. We are responsible to create an environment of safe sanctuary for children, youth and vulnerable adults, and those who work with them. Thus we establish this Abuse Prevention Policy to demonstrate our absolute and unwavering commitment to the safety of all our children, youth, and vulnerable adults.

PURPOSE

It is the purpose of this policy to 1) protect from abuse the children, youth, and vulnerable adults that participate in church activities, and 2) protect our staff, both paid and volunteer, from unfounded and/or malicious allegations of abuse through a comprehensive plan that includes: screening, training, supervision, reporting procedures, and a response plan.

SCOPE

This policy shall be applicable to all Conference and District activities or events involving children, youth, and vulnerable adults within ministry settings of the Oregon-Idaho Annual Conference.

DEFINITIONS

- **Abuse:** Intentional negligent or reckless treatment by a volunteer or staff person that is harmful, injurious, or offensive.

Child Abuse – an act committed by a parent, care giver or person in a position of trust which is not accidental and which harms or threatens a child’s physical or mental health or a child’s welfare.

Physical Abuse – When an adult injures a child other by accident, including, assault, shaking, slapping, burning, scalding, kicking, and strangling.

Sexual Abuse – Sexual contact between an adult or other significantly older, more powerful person and a child, youth, and vulnerable adult. Includes behavior such as inappropriate verbal stimulation, taking or showing sexually explicit photos of or to a child, or exposing a child to pornography or adult sexual activity.

Emotional Abuse – verbal assault or emotional cruelty that effects a child’s self esteem.

- **Adult:** a person 18 years old or older.
- **Activities:** any activity or programs in which children, youth, or vulnerable adults are under supervision of staff persons or volunteers.
- **Background Checks:** Researching references and records for indications of past or potential abusive and/or criminal activity.
- **Child:** person from birth until they turn 12 years old.
- **Conference:** The Oregon-Idaho Annual Conference of The United Methodist Church.
- **District:** The level of church organization between the Conference and the local church. There are five Districts in the Oregon-Idaho Annual Conference; Central, Eastern, Metropolitan, Southern, and Western.
- **Ministry setting:** (To be defined)
- **Person-in-Charge (PIC):** Staff person or volunteer who is the person responsible for the event or activity.
- **Staff person:** any person employed by the Conference or District that is responsible for activities involving children, youth, or vulnerable adults.
- **Volunteer:** a person who assists in conducting activities under the supervision of person(s) in charge.
- **Vulnerable Adults:** any person 18 years of age or older with diminished physical, mental, or emotional capacities.
- **We:** The Oregon-Idaho Annual Conference.
- **Youth:** any person 12 years old to his/her 18th birthday.

SCREENING PROCEDURES

Careful screening can be important to the prevention of abuse. It provides some assurance that the most reliable, committed and experienced staff and volunteers are in place for every program that involves children, youth, and vulnerable adults. The following are the MINIMUM standards:

1. All adults, volunteer or staff persons, who have regular and direct contact with children, youth, and vulnerable adults shall be required to complete the “Voluntary Disclosure” form.
2. Minimum background screenings shall include:
 - a) Reference checks from Voluntary Disclosure form.
 - b) Review of the Oregon and Idaho lists of sexual offenders or State or National criminal background checks.
3. The policy shall be implemented in the following manner:
 - a) All staff persons and volunteers, who have regular and direct contact with children, youth, and vulnerable adults will submit to the screening procedures.
 - b) The screening procedure shall be repeated every five years.
 - c) The person in charge of the event and/or their designee is responsible for review and approving each application before a person’s service begins.
 - d) All records are confidential and will be maintained for a period of at least five years.

SUPERVISION

Competent and trained staff and volunteers are important to any event. The procedures described below are designed to reduce the possibility of abuse to children, youth and vulnerable adults, and to protect staff persons and volunteers from unfounded accusations.

The following are MINIMUM standards and each event may adopt more stringent requirements if necessary.

1. Training is required for all persons having direct contact with children, youth, and vulnerable adults. Training shall include an annual orientation that includes information about this Policy, supervision of children, youth, and vulnerable adults, and identification and reporting of abuse.
2. All children, youth, and vulnerable adults will be supervised by adults. No adult will be alone with any one child, youth or vulnerable adult out of sight of others.
3. No person shall supervise any group of children or youth unless he/she is AT LEAST 5 years older than the children or youth.

REPORTING

Once an incident of abuse is recognized, it is crucial that it be dealt with speedily and in a clearly outlined manner. The adult who observes or hears of an alleged abuse shall:

1. Assure the safety of the victim. Take whatever the victim says very seriously. Make sure that the victim is in a safe place and watched over. Do not confront the accused abuser with anger or hostility but immediately remove him/ her from further involvement with children and youth until the matter can be investigated. Notify the proper authorities.
2. If there is a situation of immediate risk call the police at 911, otherwise follow the procedure as listed below:
 - a) Report the incident immediately to the Person-in-Charge (PIC) of the event or activity in which the incident occurred.
 - b) The PIC shall:
 - i) Ascertain the details needed to make an accurate report. This report must be made within 24 hours. The report should include the following information if obtainable:
 - The name, address, age and sex of the alleged victim;
 - The name and address of the alleged victim's parents or other person responsible for his/her care;
 - The nature and extent of the alleged abuse or neglect;
 - Any evidence of previously known or suspected abuse or neglect of the alleged victim or their siblings;
 - The name, address and relationship, if known, of the person who is alleged to have perpetrated the abuse or neglect; and
 - Any other information known to the person making the report that would be helpful to the investigation of the alleged abuse.
 - ii) Contact the appropriate State or law enforcement agency as soon as possible to file the abuse report and provide the aforementioned information and follow the instructions of the agency.
 - iii) Notify one of those trained and designated by the Conference to respond to reports of abuse as listed in the Crisis Communications Plan.

The alleged perpetrators of the abuse will be required to refrain from all events involving children, youth and vulnerable adults until the incident report is resolved. In any removal of a person from any activities, care must be taken to handle this in a discreet manner, recognizing that an investigation is being conducted.

RESPONSE PLAN

- A quick, compassionate and unified response to an alleged incident of abuse is expected. All allegations will be taken seriously. In all cases of reported or observed abuse in an activity, the entire staff of that activity shall be at the service of all official investigating agencies.

- Follow the procedures outlined in the Crisis Communications Plan, *When a Crisis Strikes...Are You Ready?*
- Pastoral support shall be available and offered to all persons involved with the incident.

TRAINING

The Conference shall develop and implement training and orientation procedures for persons in leadership who work with children, youth, and vulnerable adults in local ministry settings within the Annual Conference. Training shall include but is not limited to this policy and its related procedures.

POLICY REVIEW

All abuse prevention policies will be reviewed annually.

CONCLUSION

In all of our ministries we are committed to demonstrating the love of Jesus Christ so that each child, youth, and vulnerable adult is “surrounded by steadfast love...established in the faith, and confirmed and strengthened in the way that leads to life eternal” (Baptismal Covenant II, *United Methodist Hymnal*, pg 44). This policy and associated procedures are effective as of July 1, 2008. The policy will be reviewed on an annual basis in a manner determined by the Conference Leadership Team. Modifications will be made subject to the approval of the Conference Leadership Team. All such modifications will be promptly conveyed in writing to all persons affected by the modification.

SAFE SANCTUARIES ABUSE PREVENTION POLICY

Minimum Standards for Abuse Prevention Policies of Local Ministry Settings

All local ministry settings of the annual conference shall have an Abuse Prevention (aka “Safe Sanctuaries”) Policy.

All ministry settings that report annually to any District Superintendent will be required to complete the Template form provided on the Oregon/Idaho Annual Conference website as the local ministry’s official Safe Sanctuaries policy, unless approval for an alternative policy is received by application to the ministry’s District Superintendent’s office. Such application for approval will require:

1. a request via email to an address provided by the District Superintendent’s office,
2. a copy of the ministry setting’s proposed policy [in Word format], and
3. the name and contact information for the person who makes this request on behalf of the ministry setting.

The District Superintendent or their designee will contact the local ministry setting with either approval of the policy submitted or instructions to complete the Template form provided on the Oregon/Idaho Annual Conference website as the local ministry’s official Safe Sanctuaries policy.

Ministry settings are already required to provide their Safe Sanctuaries policy to the District Superintendent. The District Superintendents or their designees with support through the Safe Sanctuaries Coordinator will continue to review Safe Sanctuaries policies. If the policy submitted does not comply with minimum standards of legal requirements, the ministry will be contacted to either update their policy or to use the Template, whichever would more simply help reach the goals of compliance and coherence.

All ministry settings that report annually to any District Superintendent will be required to use the following forms provided on the Oregon-Idaho Annual Conference website:

32 Conference Policies

1. Voluntary Disclosure Form,
2. Waiver and Release, and
3. Incident Report;

unless approval for use of alternative forms is received by application to the ministry's District Superintendent's office. Such application for approval will require:

1. a request via email to an address provided by the District Superintendent's office,
2. a copy of the ministry setting's proposed form [in Word format], and
3. the name and contact information for the person who makes this request on behalf of the ministry setting.

The District Superintendent or their designee will contact the local ministry setting with either approval of the form submitted or instructions to use the form provided on the Oregon-Idaho Annual Conference website.

SAFE SANCTUARIES ABUSE RISK REDUCTION AND PREVENTION POLICY

[Name of Ministry]

INTRODUCTION

DO NOT COPY ITALICIZED WORDS IN THIS DOCUMENT. FOR EXAMPLE DO NOT COPY THE FOLLOWING SENTENCE: This section is an opportunity to contain opening comments about concerns for and commitment to, the safety of our children, youth, and vulnerable adults.¹

PURPOSE AND SCOPE

Our hope and belief today is that the church is a place where all people will find the unconditional love and care they so desperately need to grow and thrive. But, we know that abuse occurs in churches, large and small, urban and rural. It is a reality which cuts across all economic, cultural, and racial lines. In April 1996, the General Conference of The United Methodist Church adopted a resolution aimed at reducing the risk of abuse of children, youth, and vulnerable adults in the church. It was renewed by the 2004 General Conference (Resolution 65, "Reducing the Risk of Child Sexual Abuse in Churches, pg. 201, 2004 Book of Resolutions).

As Christians we must take our responsibilities to our children, youth, and vulnerable adults very seriously. While policies alone may not be able to completely prevent all harm, sexual abuse can be prevented. We as the people of [Name of Ministry] are dedicated to preventing child abuse within our ministry and within our community.

¹ We encourage congregations to share in a process that seeks scriptural and/or denominational context in recognizing that:

God cares for all.

God suffers when children youth, and vulnerable adults suffer,

The United Methodist Church was founded by John Wesley who taught:

First, do no harm.

Do all the good you can.

Stay in love with God.

As a congregation, [we] recognize that staying in love with God requires safe sanctuary for the Vulneralbe and support for survivors of sexual violence.

This SAFE SANCTUARIES: ABUSE RISK REDUCTION AND PREVENTION POLICY is a core missional statement of this congregaiton.

This section is an opportunity to highlight the above statements or similar ones coming out of this process.

DEFINITIONS

- **Abuse:** intentional, negligent, or reckless behavior by a volunteer or staff person that is harmful, injurious, or offensive. Abuse takes many forms and includes, but is not limited to: physical abuse, neglect, self-neglect, abandonment, verbal and emotional abuse, financial exploitation, sexual abuse, involuntary seclusion, and wrongful restraint.²
- **Child Abuse:** an act committed by a stranger, a parent, a caregiver, or a person in a position of trust, which is not accidental and which harms or threatens a child's physical or mental health or a child's welfare.³
- **Physical Abuse:** when an adult infures a child other than by accident; including, but not limited to: assault, battery, shaking, slapping, burning, scalding, kicking and strangling.
- **Sexual Abuse:**⁴
 1. any sexual contact or sexually explicit behavior initiated by an adult, youth or child toward a child;
 2. any sexual contact or sexually explicit sexual behavior initiated by an adult toward a youth;
 3. any nonconsensual sexual contact or nonconsensual sexually explicit behavior initiated by a youth toward another youth including, but not limited to sexual harassment and any sexual behavior by a youth toward another youth younger than 14 and where the initiating youth is three years older;
 4. any sexual contact by anyone toward a vulnerable adult, or sexually explicit behavior by anyone toward a vulnerable adult where the vulnerable adult is unable to provide meaningful consent.
- **Emotional Abuse:** verbal assault or emotional cruelty.
- **Adult:** a person 18 years old or older.
- **Activities:** any activity or programs in which children, youth, or vulnerable adults are under supervision of staff persons or volunteers.
- **Background Checks:** researching references and records for indications of past or potential abusive and/or criminal activity.
- **Child:** person from birth until they turn 12 years old.
- **Conference:** The Oregon-Idaho Annual Conference of The United Methodist Church.
- **Person-in-Charge [hereinafter, PIC]:** staff person or volunteer who is the person responsible for the event or activity.
- **Prevention and Risk Reduction:** Risk Reduction are those actions taken to lessen opportunity for sexual assault. Most policies focus exclusively on risk reduction, and do very little to prevent sexual abuse in the broader community. [Name of Ministry] is committed not only to lessening risk within congregational facilities and the activities, but [Name of Ministry] is also committed to Prevention of abuse by transformational ministry to survivors, justice and equity ministry, and social change.⁵ [Name of Ministry] recognizes that understanding the difference between Prevention and Risk Reduction is an important step in developing effective Prevention strategy.⁶

2 Wrongful restraint means the use of physical (i.e. tying, holding) or chemical (i.e. sedation) means to limit the movement of an adult for the convenience or discipline of a caregiver.

3 Harm includes taking a child into a dangerous place. In OR, for example, abuse is present when permitting a child to enter or remain in a place where methamphetamines are being manufactured. See ORS 163.537

4 Generally, in sexual abuse, a significantly older, more powerful person initiates the behavior. However please note that prevention also includes preventing peer abuse, including behavior such as inappropriate words or gestures, taking or showing sexually explicit photos of or to a child or youth, or exposing a child or youth to pornography or adult sexual activity. Abuse also occurs in similar situations regarding vulnerable adults where meaningful consent is unlikely.

5 Many professionals who work in the field understand Prevention as applied in three phases: Primary, Secondary and Tertiary Prevention of Sexual Abuse/Assault. Primary prevention engages everyone to keep sexual violence from happening. See the Center for Disease Control, Sexual Violence Prevention: [Beginning the Dialogue](#), page 3 or link at <http://www.cdc.gov/violenceprevention/pdf/svprevention-a.pdf>

6 Primary prevention work is cultural change consistent with the Gospel: God loves each person as God's own.

Further, [Name of Ministry] is committed to equipping all persons connected to the ministry and the surrounding community to be aware of, to prevent, and to resist abusive behavior in all forms through prayer, spiritual growth, words, and action.

Often referred to as "moving upstream," primary prevention directs us "upstream" to locate the place where the potential for victimization is created through social inequity. This concept is captured in the "Three Sisters" story, as told by Lisa Brunner from the Sacred Spirits First Nations Coalition's "Three Sisters" story, recorded by Oregon Coalition Against Domestic and Sexual Violence in 2012 and located at <http://www.youtube.com/watch?v=1iIyvmXQ3JI>

Each sister represents a stage of prevention: Primary (preventing the violence before it occurs), Secondary (responding in the crisis including bystander intervention); and Tertiary (addressing the longer term impacts of the violence and supporting survivors through trauma). [Adapted from "Primary Prevention," a "paper" of the Oregon Sexual Assault task Force, 2014].

Primary Prevention training and a review of this policy.

11 Bathroom breaks with children old enough to manage on their own, youth, and vulnerable adults are to be coordinated in such a way that an adult checks the bathroom, then leaves and stands outside as children, youth or vulnerable adults of the same sex use the facility. No adult is to enter during the time the facility is in use unless there are clear indications of an emergency. For babies and younger children, two unrelated adults need to be present when diapers are being changed or at anytime a child needs to have clothes changed.

12 Falsely filed, malicious reports are illegal. However, unless the report is known beyond any doubt to be false, the process of reporting is required by [Name of Ministry]. Idaho law offers protection for good faith reporters of child abuse: “Any person who has reason to believe that a child has been abused, abandoned, or neglected and, acting upon that belief, makes a report of abuse, abandonment, or neglect as required by the reporting laws, shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed. Any such participant shall have the same immunity with respect to participation in any judicial proceeding resulting from such report. Any person who reports in bad faith or with malice shall not be protected by this section.” Idaho Code § 16-1606

Similarly, Oregon Law states: “Anyone participating in good faith in making a report of child abuse and who has reasonable grounds for the making thereof shall have immunity from any civil or criminal liability that might otherwise be incurred or imposed with respect to the making or content of such report. Any such participant shall have the same immunity with respect to participating in any judicial proceeding resulting from such report.” Or. Rev. Stat. Ann. §419B.025

13 Each state has a class of individuals who must report child abuse to the authorities if they are aware of it. Here, [Name of Ministry] is reminding those responsible for reporting to follow state law. If you are unsure, please find your state requirements at <https://www.rainn.org/public-policy/laws-in-your-state>. This website is provided by RAINN, the Rape, Abuse & Incest National Network.

At the time of this writing, **Oregon** law includes:

Medical personnel: Physicians, psychiatrists, surgeons, residents, interns, dentists, dentist hygienists, medical examiners, pathologists, osteopaths, coroners, Christian Science practitioners, chiropractors, podiatrists,

3. The pastor or designee shall:

- a) Ascertain the general details needed to make an accurate report.

 - (3) The nature and extent of the alleged abuse or neglect;
 - (4) Any evidence of previously known or suspected abuse or neglect of the alleged victim or their siblings;
 - (5) The name, address and relationship, if known, of the person who is alleged to have perpetrated the abuse or neglect; and
 - (6) Any other information known to the person making the report that would be helpful to the investigation of the alleged abuse.
- c) Contact the appropriate State or law enforcement agency as soon as possible to file the abuse report and provide the aforementioned information and follow the instructions of the agency.
- d) Report the suspected child abuse to the child's family (unless implicated in the allegation) and any agencies required by law.
- e) Report the suspected abuse to a District Superintendent of the Annual Conference within 24 hours of the initial report.

4. The alleged perpetrators of the abuse are to be excluded from future events involving children, youth and vulnerable adults until the incident report is resolved. In any removal of a person from any activities, care must be taken to handle this in a discreet manner, recognizing that an investigation is being conducted.

Sexual Ethics Policy For Clergy¹ of the Oregon Idaho Annual Conference of The United Methodist Church.

Statement of Policy:

Clergy and employees of the Oregon-Idaho Annual Conference of The United Methodist Church shall not engage in sexual misconduct, sexual abuse, or sexual harassment.

Theological Foundation²

The 2004 Book of Discipline states in ¶161(G) the following. “We recognize that sexuality is God’s good gift to all persons. We believe persons may be fully human only when that gift is acknowledged and affirmed by themselves, the church, and society. We call all persons to the disciplined, responsible fulfillment of themselves, others, and society in the stewardship of this gift. We reject all sexual expressions that damage or destroy the humanity God has given us as birthright, and we affirm only that sexual expression that enhances that same humanity. We believe that sexual relations where one or both partners are exploitive, abusive, or promiscuous are beyond the parameters of acceptable Christian behavior and are ultimately destructive to individuals, families, and the social order.”

Sexual misconduct involves a misuse of the gift of sexuality. Acts that should signify the intimacy of a committed relationship between equal partners instead are tainted with ambivalence, confusion, guilt and sometimes fear. Secrecy, which often accompanies such acts, only reinforces these feelings and further signals that there is something “wrong” with the relationship. Sexual misconduct within a ministerial relationship leaves the victim bearing a burden of trauma attached to their expression of sexuality. Victims are thus robbed of the joyous celebration of the sacredness and dignity of their sexuality.

God entrusts the workers in the church with the responsibilities of sharing both Holy love and the Divine Word. Our sexual behavior, like any of our behaviors, must comply with the highest standards of a Christ-like life. We in the church are expected to live in covenant with each other and hold each other to those standards. By being speakers of the Truth, persons are offered freedom and redemption and God’s Grace can be employed for restoration of right relationships and alternative paths.

Definitions

Clergy: Clergy membership of the Oregon Idaho Annual Conference consists of Deacons and Elders in full connection, probationary members, associate members, affiliate members, local pastors and retired members within the meaning of ¶602.1 of the *2004 Book of Discipline of The United Methodist Church*.

Clergy Relationship - A clergy relationship exists between a clergy person and any other person

- (i) when the other person is a parishioner of a congregation to which that clergy person was previously or is currently appointed,
- (ii) when the other person is supervised by, is a colleague with or receives ministry from a clergy person serving in any function for which he or she was ordained, licensed, hired or approved by the Annual Conference or its representatives,
- (iii) when a clergy person uses the authority of the clergy office or role in establishing a relationship with the other person, and
- (iv) when the other person is a member of a community which recognizes the authority of the clergy person as a person in ministry (i.e. appointments beyond the local church and honorable location, retirement, leaves of absence and other situations in which a clergy person serves a community other than a local congregation).

Clergy Sexual Misconduct: Clergy sexual misconduct occurs whenever a clergy person initiates or allows any sexual contact or behavior with a person with whom he or she has a clergy relationship and includes, but is not limited to, sexual abuse and sexual harassment. This includes the chargeable offenses listed in ¶2702 of the *2004 Book of Discipline of The United Methodist Church*.

Clergy sexual misconduct must be understood primarily as an issue of the abuse of the power, trust, and status inherently present in any clergy relationship rather than an issue of the sexual morality of an individual clergy person. An inherent imbalance of power exists in any clergy relationship simply through the clergy role and totally separate from the clergy person's character, personality and style of ministry. A similar imbalance of power can also exist when one clergy supervises another clergy. The same sacred trust inherent in ordination, consecration and licensing that makes effective ministry possible leaves persons in clergy relationships open and vulnerable. This predisposes those persons to believe that clergy shall act only in ways that will contribute to their well-being. The only appropriate and acceptable clergy response to the trust and power given to clergy through their role is ministry to the emotional, spiritual and temporal needs of those who come to them for help.

A single clergy person may be involved in a romantic relationship within the parameters discussed in the following section.

Clergy Sexual Misconduct In Context of Single Clergy Romantic Relationship- A single clergy person engaging in a romantic relationship with a single person with whom he or she has a clergy relationship does not necessarily commit sexual misconduct. The clergy person must be aware of the inherent imbalance of power that he or she has in this type of clergy relationship and take full responsibility for the related potential for harm. A single clergy person entering into this type of relationship bears the burden of demonstrating that there has been no exploitation in the relationship, in light of all relevant factors, including the personal history and mental status of the other person and the likelihood of an adverse impact on the person or on others. A clergy person should refrain from entering into a romantic relationship with a person with whom he or she currently has a pastoral counseling relationship. Should a pastoral counseling need arise for a person with whom the clergy person is romantically involved, that clergy person would make recommendations of two or three choices for pastoral or other professional counselors. Neither shall a single clergy person enter into a romantic relationship with a person whom he or she has had a pastoral counseling relationship for at least two years after cessation or termination of the pastoral counseling (consistent with the American Psychological Association Code of Ethics of 1992). The clergy person who engages in such activity after the two years following cessation or termination of the pastoral counseling relationship bears the burden of demonstration that there has been no exploitation, in light of all relevant factors, including the amount of time that has passed since the pastoral counseling

40 Conference Policies

relationship terminated, the nature and duration of the pastoral counseling, the circumstances of termination, the personal history of the counselee and others and any statements or actions made by the clergy person during the course of the pastoral counseling suggesting or inviting the possibility of a post-termination romantic relationship with the counselee.

Sexual Abuse: The laws of both the States of Idaho and Oregon contain definitions of Sexual Abuse. These legal descriptions constitute the primary definitions of Sexual Abuse used in this policy. (See ORS 163 & Idaho Statutes 18-1506). In Summary, Sexual Abuse is an actual or attempted sexual invasion of the body by force and without full consent. Sexual abuse is any of, but not limited to, the following: rape, sexual assault (a forced sexual act against one's will), incest, indecent exposure, statutory rape, involuntary, voluntary, or deviant sexual intercourse with a child, promotion of prostitution, pornography with children, indecent assault, and aggravated indecent assault. "Sexual abuse" as used in this policy is not limited to those matters that are defined as crimes by the states of Idaho and Oregon, nor are any of the specific elements that make certain activities crimes under the criminal codes of the states of Idaho and Oregon necessary to prove sexual abuse for the purposes of this policy.

Sexual Harassment: Sexual harassment is any sexually related behavior that is unwanted, offensive or which fails to respect the rights of others. This behavior includes any unwelcome sexual advance, request for sexual favor or relationship and other verbal, nonverbal or physical conduct of a sexual nature that creates an intimidating, hostile or offensive environment and/or which is based on gender discrimination and/or perceived by the recipient as demeaning, intimidating or coercive.

Sexual harassment can consist of a single intense or severe act or of multiple persistent or pervasive acts. There are many possible scenarios in sexual harassment situations. Each situation must be evaluated on a case-by-case basis. Types of unwanted conduct that constitute sexual harassment as listed by the Equal Employment Opportunity Commission include (but are not limited to):

1. Unsolicited and unnecessary touching, pinching, patting or closeness.
2. Sexist remarks about a person's body or clothing.
3. Sexually degrading words to describe a person.
4. Repeated propositions or explicit demands for sexual activity.
5. Sexually suggestive pictures or objects in the work place or gathering place for the group or activity.
6. Judging a person by looks or body instead of ability.
7. Unsolicited suggestive looks or leers.
8. Unsolicited attempt to fondle or kiss.
9. Unsolicited sexual comments, teasing or telling of jokes with sexual context.
10. Unsolicited letters, calls or materials of a sexual nature.
11. Offer to use influence in return for sexual favor.

Pastoral Counseling - Pastoral counseling is the special dimension of ministry in which a clergy person utilizes a variety of counseling perspectives and techniques to help people handle their problems and crises and thus work toward healing. A pastoral counseling relationship begins at the point that the clergy person and the person or persons seeking pastoral counseling explicitly agree to enter into a relationship wherein it is understood that the clergy person shall apply special skills to assist the other person or persons in resolution of problems or crises.

NOTE:

The above definitions are provided solely for the purpose of this **Sexual Ethics Policy**. The definitions do not create any chargeable offenses pursuant to *The Book of Discipline of The United Methodist Church*. This policy does not sanction any conduct, which may constitute a chargeable offense pursuant to *The Book of Discipline of The United Methodist Church*.

Implementation Of Policy [This section updated June 2014]

The Oregon-Idaho Annual Conference commits itself to fast and expedient investigation of any charge of sexual misconduct within its churches and act in compliance with the current Book of Discipline.

The Clergy Sexual Ethics policy is to be made available for all Clergy, church employees, and local churches of the Oregon-Idaho Annual Conference by annual publication in the Oregon-Idaho Annual Conference Journal.

District Superintendents are responsible for informing the Pastor/Staff Parish Relations Committee members and members of the conference personnel committees of the Clergy Sexual Ethics policy.

The following persons are required to complete an annual online knowledge test on the Sexual Ethics Policy: 1) all Oregon-Idaho clergy members (see definition of “clergy” above) and 2) all other clergy currently serving under appointment by the Oregon-Idaho Bishop. When requested, provisions will be made for the online test to be taken on paper and returned to the District Superintendent via the U.S. mail.

The following persons are also required to attend one “Sexual Ethics, Abuse Prevention, and Healthy Boundaries” training offered by the Board of Ordained Ministry each quadrennium: all clergy currently appointed by the Oregon-Idaho bishop and/or serving in a ministerial role in an Oregon-Idaho ministry setting. The Board of Ordained Ministry shall determine if a non-Board of Ordained Ministry training is equivalent to the training promoted by the Board of Ordained Ministry. Considerations will include the training’s number of contact hours, content, and the qualifications of the workshop leader(s).

Applications for exemption from the required annual online test and the once per quadrennium training requirement shall be made in writing to the District Superintendent. Letters of approval for exemption shall be kept on file in the District Superintendent’s office.

The appropriate District Superintendent shall insure that lay persons assigned or appointed to ministry settings within Oregon-Idaho (including Lay Persons Assigned, Certified Lay Members, Diaconal Ministers, Deaconesses, and Home Missioners) receive appropriate sexual ethics training and are knowledgeable about the Oregon-Idaho Conference Sexual Ethics Policy and standards for preventing sexual misconduct, abuse, and harassment.

Clergy members who do not meet the above requirements shall have a letter of non-compliance placed in their permanent file. Noncompliance may result in disciplinary action initiated by the District Superintendent.

Knowledge or information about clergy sexual misconduct should be reported to a district superintendent or the bishop. When allegations of clergy sexual misconduct are made, every attempt shall be made to have two District Superintendents (preferably one male and one female) investigate the matter by meeting first with the accusing party, then with the accused. Where required, further information shall be gathered and a full report made to the Cabinet. The Bishop and the Cabinet shall make every effort to resolve allegations, complaints or charges in a timely manner and within the requirements of the current Book of Discipline. Further procedural recommendations are found in the appendix of this policy.

Making a Complaint

A complaint about any clergy person in violation of this policy may be made to any District Superintendent, or the Bishop. A complaint against a clergy person that involves a child may also need to be reported to the proper authorities, but there are also laws that may prevent disclosure of information obtained during a confidential discussion between a clergy person and another person seeking spiritual guidance from the clergy person. All complaints shall be dealt with promptly and in confidence according to ¶362 of the *2004 Book of Discipline of The United Methodist Church*. Persons who report misconduct or file a complaint must not be subject to retaliation. Persons who have knowledge of alleged misconduct are expected to come forward. Persons who knowingly give false information or reports shall be disciplined. All investigations of clergy shall be conducted according to ¶¶2701-2706 of the *2004 Book of Discipline of the United Methodist Church*.

Suggested Methods of Dealing with Allegations of a Clergy Sexual Misconduct

I. Incidents Involving Children under 18 Years Old

(For the purposes of this section, sexual misconduct includes all forms of sexual misconduct except sexual harassment.)

A. If any incident of sexual misconduct is known or suspected to have occurred involving clergy and a person under the age of 18, the nearest agency or authority charged with child protection must be contacted immediately and a report given. This report is mandatory as outlined by the Idaho Code § 16-1619(a), (c) (Supp. 1998) and Or. Rev. Stat. Ann. § 419B.010(1) & Or. Rev. Stat. Ann. § 419B.005(3)(h). However, there are also laws that may prevent disclosure of information obtained during a confidential discussion between a clergy person and another person seeking spiritual guidance from the clergy person.

B. Do not confront or discuss the incident with the alleged perpetrator.

C. Contact the District Superintendent or other church authority to inform them of the report that you have made.

II. Clergy Sexual Misconduct Against Persons 18 Years Old or Older

(For the purposes of this section, sexual misconduct includes all forms of sexual misconduct except sexual harassment.)

A. If a clergy commits an act of sexual misconduct against you:

1. Contact the Bishop or a district superintendent who shall act according to his/her responsibility as outlined in ¶362.1 of the *2004 Book of Discipline of The United Methodist Church*. In addition, the bishop or district superintendent may include third parties for mediation and consultation.

2. It is advisable to keep a journal which documents all incidents in question, including conversation and contacts with the person, dates, times, witnesses and descriptions of the incidents.

3. When the alleged conduct constitutes a criminal act, report it to the police.

Affirm with the complainant the decision to participate in reporting the incident(s) is in the hands of the complainant. The person hearing the report should resist making decisions for or attempting to influence the complainant.

3. Alleged sexual misconduct is reported to the district superintendent. If the alleged perpetrator is the district superintendent, contact the bishop. If it is the bishop, contact the Council of Bishops.

III. Sexual Harassment

A. If you are sexually harassed by a clergy:

1. It is advisable to keep a journal which documents all incidents of sexual or gender harassment including dates, times, witnesses and descriptions of the incidents. If you receive any written letters, cards, or memos of a suggestive nature from the harasser, it is advisable to keep them, noting the date received and how received (mailed to your home, left on your desk, etc.)
2. If you choose, confront the alleged harasser before taking official action.
 - a. Tell the alleged harasser firmly and clearly what behavior is not acceptable to you. If you choose, take another person with you for support. Be as specific as possible. This action, in many cases, will be sufficient or
 - b. Contact the alleged harasser in writing. Clearly state what behavior(s) and action(s) are not acceptable to you, or
 - c. Contact another pastor or supervisor and ask them to talk with the alleged harasser. Clearly state what behavior(s) and action(s) are not acceptable to you.
3. If you choose not to confront the alleged harasser, contact a district superintendent.

B. If you are accused of sexual harassment:

1. Listen objectively when confronted with behaviors that have caused discomfort or harm to another, whether intended or not, and be open to ways your behavior can change.
2. It is advisable to keep a journal which documents all incidents in question, including conversations and contacts with the person who confronts your behavior, dates, times, witnesses and descriptions of the incidents.

Statute of Limitations: Limitations of claims for sexual misconduct apply only to the extent that the behavior in question was one listed in *The Book of Discipline of The United Methodist Church* in effect at the time the behavior took place. A person may be charged with an offense only if it was a chargeable offense in *The Book of Discipline of The United Methodist Church* in effect at the time the action was committed. The applicable limitation periods for sexual misconduct and sexual or gender harassment may be found in ¶¶ 362.1.d, 2702.4, and 2704 of the *2004 Book of Discipline of The United Methodist Church*.

CLERGY HOUSING STANDARDS AND POLICY

Responsibility for housing to be used by clergy of the Oregon-Idaho Annual Conference.

A. The primary responsibility for clergy housing resides with the Administrative Board. One of the responsibilities, as defined by the 1984 Discipline, ¶256.c(f), is the “Review the recommendation of the Pastor-Parish Relations Committee regarding the provision of adequate housing for the pastor(s), with attention to Annual Conference parsonage standards, and report the same to the Charge Conference for approval. It is the responsibility of the Administrative Board to provide adequate housing for the pastor(s). Housing shall not be considered as part of compensation or remuneration, but shall be considered as a means provided for the local church, and for the convenience of the local church, to enable its ministry and the itinerant ministry of the Annual Conference.” See II below for church-owned parsonage standards, and III below for housing allowance standards.

B. The Administrative Board may delegate administrative responsibility for clergy housing to the Pastor-Parish Relations Committee or to a Parsonage Committee. However, it is understood that ultimate responsibility resides with the Administrative Board.

C. If a housing allowance is provided in lieu of a parsonage, it shall be reviewed annually prior to the adoption of the clergy salary package for the coming year by the Pastor-Parish Relations Committee. Provision shall be made for an adequate allowance. See III below.

D. If a Parsonage Committee is established, membership is to be nominated by the Committee on Nominations and elected by the Charge Conference, or appointed by the Administrative Board. It is suggested that its membership include the following: One trustee selected by the Board of Trustees, one member of the Pastor-Parish Relations Committee, three members at large, the minister, the minister’s spouse. This committee, which should inspect the parsonage in April to determine if these housing recommendations are being maintained and refer to the Board of Trustees any recommendation for improvement, should meet at least annually, and should report to the Charge Conference. (*Discipline*, ¶267.2f, (4))

E. Parsonage recommendations and the definition of an adequate housing allowance (See IIIA) should apply to all ministers under appointment to a local church regardless of marital status or family size.

F. If a church or charge does not have a parsonage, and no provision has been made to provide for a housing allowance, the church should either

1. Develop a plan to acquire a suitable parsonage with sufficient funding for the purchase, or
2. Provide for an adequate housing allowance for the minister(s). (See IIIA)

G. During the annual Charge Conference the District Superintendent may ask if the housing allowance provided by the local church is in compliance with Conference standards. Each local church is to be provided with a copy of the Clergy Housing Standards and Policy.

RECOMMENDATIONS AND POLICY

II. Church-owned Parsonage Recommendations

A. The House

1. Ownership and Privacy. It should be recognized that a minister occupying a church-owned parsonage is in a relationship similar to that of a renter, with the church being understood as the landlord. The *Discipline*, ¶267.2f(4) says, “The parsonage is to be mutually respected by the pastor’s family as the property of the church and by the church as a place of privacy for the pastor’s family.”
2. Suggested minimum number of rooms: 3 bedrooms, dining area, kitchen, one and one-half (preferably two) baths, with adequate closet space in each, linen storage, garage and/or carport for a minimum of two automobiles, and storage for lawn equipment.
3. Additional desirable features: family room, extra bedroom or study space, bookshelves, fireplace with glass door and tools (alternative: modern wood-burning stove and accessories).
4. Energy Efficiency: adequate heating plant with annual maintenance and modifications

for current technology. Insulated windows and adequate insulation in walls and ceiling are essential. Air conditioning should be provided in any locality where the climate requires it. An energy audit should be made, and recommendations referred to the Board of Trustees.

5. Additional Essential Features

- a. All church-owned furnishings and equipment should be in good condition with regard to appearance and useability
- b. Adequate electrical outlets should be provided, including those for refrigerator-freezer facilities, air conditioning, television, and other devices.
- c. All windows should have blinds and/or draperies in good condition.
- d. Windows should provide adequate ventilation, and those which open should have accompanying screens.
- e. Floor covering in all areas should be in good condition and up-to-date. Consideration should be given to ease of maintenance.
- f. Fencing should be installed and maintained where necessary to provide protection, containment, and ample area for activities for small children.
- g. Dead-bolt locks, television antenna or cable installation, smoke alarm(s), and working doorbells should be provided.

B. Furnishings and Equipment to be Provided

1. Kitchen, electric or gas range, refrigerator with minimum of 17 to 21 cubic feet of space, with a freezing compartment or a separate freezer; adequate cupboard space; adequate counter space with good finish. A dishwasher and disposal are highly recommended. Outlet and space for a microwave oven should be provided.
2. Laundry Area: current models of automatic washer and dry, in good operating condition.
3. Yard Care: power lawn mower, garden hoses and sprinklers, garden tools and equipment.
4. Telephone: two telephones should be provided. The telephone deposit and connection should be maintained by the church to prevent interruption between pastorates.
5. Consideration should be given to providing floor lamps in parsonages that have no overhead lights.
6. Condition: when furnishings and equipment are no longer in good condition with regard to appearance and usability, then should be removed and replaced as soon as practical. Out-of-date items or the discards of others should not be placed in the parsonage. Decisions in this regard should reside with the Parsonage Committee and pastor.
7. Inventory: an up-to-date list of all parsonage furnishings, including dates of purchase, serial numbers, and related data should be kept, with copies to be filed with the Parsonage Committee, church office, and the District Superintendent.

C. Care of Property

1. Insurance: coverage is normally provided by the church for all fire and casualty losses, including public liability, including the replacement cost of the parsonage and church-owned furnishings and equipment. Clergy are responsible for insuring personal property, including furniture.
2. Repairs: an amount shall be provided in the local church budget for repairs and maintenance of the parsonage. (An amount equivalent to two percent [2%] of the value of the parsonage is recommended. This can be achieved by paying one-twelfth [1/12th] of the yearly amount each month into a special reserve, which should be cumulative.)
3. Interior and exterior painting should be provided as required to keep the house in good condition and appearance.
4. Operating Procedures:
 - a. A formal agreement between the pastor and the church shall be instituted. The agreement shall clarify the expectations of both the church and the pastor with regard to the matters listed in this policy statement. A review upon the arrival of the incoming pastor and two weeks before the departure of the outgoing pastor is in order to conform to the agreement. (see revised sample form below) The clergy shall make a security/cleaning deposit to cover damage and cleaning costs for the parsonage. The deposit will be obtained via payroll deduction during the first 6 months of the clergy use of the parsonage. The church will place the deposit in trust to be refunded at the end of the clergy appointment if the parsonage is in reasonable condition considering

- normal wear and tear. Any cleaning and damage costs incurred by the church for the parsonage would be deducted from the deposit.
- b. The Pastor-Parish Relations Committee/Parsonage Committee in cooperation with the Board of Trustees shall be responsible for seeing that all necessary work is done to keep the parsonage up to these recommendations.
 - c. An annual review should be made of the agreement, involving the Pastor-Parish Relations Committee/Parsonage Committee and Board of Trustees, with the pastor's family.
 - d. The parsonage family should be consulted in the selection of applicances and furnishings, and their taste considered in determining color and plans for interior decorating. Neutral colors for drapes and carpets are recommended so as to fit with whatever color décor of furnishings the parsonage family may bring into the parsonage.
 - e. A parsonage history should be kept in the church files, providing age of the building, its assessed evaluation, dates and types of improvement, including purchases of appliances and a list of church-owned furnishings. Photos are desirable.
 - f. The following information should be supplied to the minister by the Parsonage Committee in the form of a regular Parsonage Reference Manual containing:
 - (1) Location of water shut-off valves and outside faucets including instructions on "winterizing" outside plumbing.
 - (2) Locations and drawing for all electrical disconnect panels with appropriate labels on breakers/fuses.
 - (3) Instructions on all appliances including lighting pilot lights in furnaces, water heaters and stoves.
 - (4) Directions on the use of all power equipment including lawn mowers and other power tools belonging to the parsonage.
 - (5) Instruction booklets for appliances.
 - (6) Suggested list for service personnel and service providers (volunteers) within the church.
 - (7) Schedule of regular maintenance to be carried out with the parsonage committee.
 - (8) Any other information specific to the parsonage and grounds.

5. Prior to moving out of a parsonage, the parsonage family shall clean, or arrange and pay for the cleaning of the house, including carpets and rugs. If this is not done, the Parsonage Committee shall have the option of hiring the work done and deducting the expenses from the security/cleaning deposit before refunding the deposit to the outgoing pastor.

D. General Suggestions

- 1. Ministers are encouraged to live in the parsonage(s) provided by the local church where the parsonage(s) is adequate according to these guidelines. Consultation between the church, District Superintendent, and the pastor should occur if the parsonage is not appropriate.
- 2. The parsonage is the home of the pastor and family and their rights and privacy should always be respected by members of the congregation. With rights comes responsibilities for the appearance and condition of the parsonage. The minister's family and the Parsonage Committee should work together to exercise good care of all parsonage property. (See IIA and IIC4 above.)
- 3. When the pastor moves, the Pastor-Parish Relations Committee/Parsonage Committee should see that the lights, telephone, and water are left connected. The deposit for public utilities should be provided by the church.
- 4. If a gift of furniture or furnishings is made, the donor should designate specifically if it is to remain in the parsonage or is a personal gift to the pastor.

III. Housing Allowance Standards

- A. An adequate housing allowance may be defined as an amount sufficient to rent a house in the community that would meet the standards of a church-owned parsonage and its furnishings and equipment (as defined by IIB).
- B. Churches are encourage to be attentive and responsive to the individual needs of minister with

regard to housing.

C. In the event that a church and its pastor are considering a change from a parsonage to a housing allowance, this is to be done in consultation with the District Superintendent and the District Committee on Church Location and Building. Thorough attention should be given to the advantages and disadvantages of such a change. A church should be prepared, through careful preservation of adequate assets, giving attention to market values and trends, to provide future housing which meet Conference standards. (*Discipline*, par. 2537 and 2538)

D. Where the housing allowance is provided and in order to allow the minister maximum benefits allowed by the Internal Revenue Service, the following guidelines are suggested:

1. For churches reporting to the Charge Conference and the District Superintendent, the amount designated for Housing Allowance should be the amount required to rent a house in the community that would meet the standards for a church-owned parsonage. Other amounts designated for housing allowance may be mutually agreed upon between the pastor and the church with the consent of the District Superintendent. Consideration should be given to costs of maintenance and repair that would otherwise be paid by the church to maintain a parsonage. The housing allowance is in addition to any amount designated for utilities.
2. For Federal Income Tax purposes, it is recommended that the Pastor-Parish Relations Committee make a separate allocation of total compensation including housing allowance as established by the Charge Conference in order to reflect the actual cost of providing a home. This designation should be made in a letter to the pastor in advance of the effective date.

IV. Cabinet Policy Regarding the Sale of Parsonage

See Conference Rule 12.062

PASTOR-PARISH RELATIONS COMMITTEE/PARSONAGE COMMITTEE AGREEMENT

(Sample Form for Optional Use)

1. It is the responsibility of the incoming pastor to note the condition and cleanliness of the parsonage. A written inventory is recommended.
2. It is the responsibility of the pastor to maintain the parsonage ground—keeping it presentable at all times: e.g., mowing and watering lawn, trimming and maintaining shrubs, removing leaves, shoveling snow in winter, etc.
3. The pastor will be responsible to replace or pay for broken and/or misused items.
4. It is the responsibility of the local church to maintain and replace for normal wear and usage all parsonage furnishings and equipment.
5. The costs of damage to the parsonage resulting from the activity of pets should be the responsibility of the parsonage family.
6. A meeting of the pastor and Pastor-Parish Relations Committee/Parsonage Committee should be held annually for review of the condition of the parsonage. It is the responsibility of the out-going pastor to see that the parsonage is thoroughly cleaned for his/her successor.
