**THANK YOU**

I am grateful to the many people who have provided information, photographs, reports, statistics, and moral support for this Journal.

Although the Journal is produced for its information, most folks turn first to the photographs that fill the "white space" between sections. I appreciate the photographic gifts of Harvey Thomas, Bill Vollmer, and Greg Nelson--and their willingness to share freely with the rest of us.

The Journal is only as accurate as the data contained in its pages. Most of that data comes from the conference database, which is maintained by the administrative assistants in our district offices. I am very thankful for the opportunity to work with these amazing colleagues: Charlotte Hartman, Phyllis Ross, Barbara Collins, Kay Burdick, and Linda Grund-Clampit. In the Conference Office, I rely heavily on support and expertise from Turella Woods, Sandra Sittser, Greg Nelson, Scott Harkness, and Bill Mullette-Bauer. And this year Nina Smith has provided so much help in such a grace-filled manner that I've started my own chapter of her fan club.

I also want to express appreciation to Gary McGee (Gary McGee & Co.) and Marty Leopard (Eagle Web Press) for their invaluable assistance to me during the layout and production process.

It is impossible to adequately thank my family for putting up with me during the seemingly interminable "Journal prep" season. They offer humor, patience, and love in huge quantities, and it is no exaggeration to say that this book would not be finished without the support of Megan, Hannah, and Todd.

As General Editor, I accept responsibility for the final product. I welcome your corrections as we journey on to perfection. For updates to the directories, contact your district office.
